Our Letter Box.

Here is a collection of letters from some little islanders whose home is in South Maniton Island, and which are sent to the HERALD by their tencher Mr. Green. DEAR MRS. BATES:

I have a kind teacher, f read in the Third reader, study arithmetic, geog-raphy, spelling and writing 1 have got two pets, one pet cat, and a pet calf, I am nine years old. I can't say any more, so good bye. EDWARD KNUDSEN.

DEAR Y BR. BATES:

DEAR Yor. BATES: My teacher wished me to write a letter for the HEALD; well. I go to school. I study third reader, arith-metic, geography, spelling and writ-ing, we have a kind teacher. I have three brothers, and four sisters. My oldest brother is 2nd ass't light keep-ture of my by there are at home. 1 er, two of my brothers are at home on the farm. I have a pet calf that will follow me all over like a little dog. I am afraid of the basket so 1 h 1 will elose.

ALFRED ARMSTRONG.

ALFRED ARMSTROSG.] DEAR Mus. BATES: As all the little boys and girls are writing for the HERALD, and as my teacher wished me to, why I will. I go to school and study third rea-der, arithmetic, geography. spelling. and writing. I am nine years old. I i have three sisters and four brothers, i our school is out. We had a kin d teacher, and we hate to part with him. I will now close, so good by, from your little friend.

AMIE ASMTRONG.

My teacher wished all of us little girls and boys to write a letter for the HERALD, so we thought we would try, two of my aisters Josie and Alvina and myself go to school, and are all in the same classes, so we thought would all write together. We leve on a farm and have lots of thought would all write together. We live on a farm and have lots of fun. J ism II, Josie 9, and Alvina 8 years old, we all go to selvool, and study third reader, arithmetic, geog-raphy,spelling and writing. Last win-ter was the first time we ever wont to school. We like to learn, we have agood teacher, his name is Mr. Green, we have five sisters and one brother, he goes to school. Well we will close. From your three little friends. MARY, JOSTE AND ALVINA BECK. . 1 11

Grand Traverse Herald Aug. 20, 1885 Our Letter Box

Here is a collection of letters from some little islanders who's home is on South Manitou Island, and which are sent to the Herald by their teacher Mr. Green.

Dear Mrs. Bates,

I have read some of the letters in my teacher's paper the Herald, and I like to read them too, so he asked me if I would not write one I can't say much, only I go to school. I have a kind teacher, I read in the third reader, study arithmetic, geography, spelling and writing I have got two pets, one pet cat, and a pet calf, I am nine years old. I can't say any more, so good bye. Edward Knudsen.

Dear Mrs. Bates,

My teacher asked me to write a letter to the Herald; well, I go to school, I study third reader, arithmetic, geography, spelling and writing, we have a kind teacher. I have three brothers, and four sisters. My oldest brother is 2nd ass't light keeper, two of my brothers are at home on the farm. I have a pet calf that will follow me all over like a little dog. I am afraid of the basket so I will close.

Alfred Armstrong

Dear Mrs. Bates,

As all the little boys and girls are writing for the Herald, and as my teacher wished me to, why I will. I go to school and study third reader, arithmetic, geography, spelling and writing. I am nine years old. I have three sisters and four brothers, our school is out. We have a kind teacher, and we hate to part with him. I will now close, so good by, from your little friend. Amie Armstrong

Dear Mrs. Bates,

My teacher wished all of us little girls and boys to write a letter for the Herald, so we thought we would try, two of my sisters Josie and Alvina and myself go to school, and are all in the same classes, so we thought would all write together. We live on a farm and have lots of fun. I am 11, Josie 9, and Alvina 8 years old. we all go to school, and study third reader, arithmetic, geography, spelling and writing. Last winter was the first time we ever went to school. We like to learn, we have a good teacher, his name is Mr. Green, we have five sisters and one brother, he goes to school. Well we will close. From your three little friends. Mary, Josie and Alvina Beck

Dear Mrs. Bates

My teacher receives your paper the Herald, and he has shown me a number of letters from the young peoples department, and he wishes me to write too. I like to read the little letters, so if you please I will write. I am a little girl 8 years old. my papa keeps the light house.
